Future Focus

AGRT/IHMP has decided to focus on adolescent health. The Institute has undertaken an initiative for “Integrated Adolescent Reproductive and Sexual Health and Development”.

The Institute hopes to work with young men for introducing gender equitable attitudes and for demonstrating an innovative strategy for preventing gender based violence.

Research will be undertaken to design and develop culturally appropriate scales for measuring self esteem and self efficacy in adolescent girls and young men.

In collaboration with Tata Institute of Social Sciences, Mumbai; AGRT/IHMP has planned to offer a Diploma in Public Health Practice course of one year duration. The short courses offered by the Institute will be expanded.
